LN 30-110-1
CONFIDENTIAL FUNDS
31 January 1956

SUBJECT: Obligation and Accounting for Confidential Funds
Allotted to Office of Logistics

1. Effective 1 December 1955, the responsibility for the maintenance of detailed allotment control records covering confidential funds allotted to the Office of Logistics was transferred from the Finance Division, Office of the Comptroller, to the Office of Logistics. Therefore, all Office of Logistics activities (Headquarters and Field) entering into transactions involving OL confidential funds allotments will process such transactions through the Budget and Fiscal Branch, Administrative Staff, Office of Logistics. Also, all accountings for advances of funds which involve OL confidential funds allotments will be processed through the Budget and Fiscal Branch, Administrative Staff, OL.

2. The Finance Division will no longer process transactions or accountings for advances involving OL confidential funds unless the related documents have been certified for availability of funds by authorized personnel of the Budget and Fiscal Branch, Administrative Staff, OL.
